

LIST OF MAPS

SN	Map Name	Source	Presentation Level
1	Kharland distribution in Gujarat prior to 1960	-	State
2	Soil salinity in Gujarat (NBSS & LUP, 1988)	-	State
3	Distribution of Herpetofauna species	-	State
4	Distribution of Bird species	-	State
5	Distribution of mammal species	-	State
6	Sea-Land positions through Geological times in Gujarat	Dr.PP Patel	State
7	Tectonic map of Gujarat	Biswas 1987	State
8	Seismicity map of Gujarat	Dr.PP Patel	State
9	Aridiy map of Gujarat	DES GOG 1987	State
10	Agroclimatic map of Gujarat	DES GOG 1987	State
11	Agro-ecological sub-regions in Gujrat	NBSS & LUP 1994	State
12	Groundwater resource map of Gujrat	Dr.PP Patel	State
13	Ground water quality map of Gujarat	Dr.PP Patel	State
14	Agro climatic zones of Gujarat		State
15	Land utilisation (1979-80)		State
16	Average Slope		State
17	Temperature		State
18	Sunshine		State
19	Sea Level Pressure		State
20	Wind		State
21	Agroclimates		State
22	Relative Humidity		State
23	River Basin		State
24	Hydrochemistry		State
25	Environment		State
26	· Gullied		State
27	· Fluvial Erosion		State
28	· Physical moraine		State
29	· Water pollution		State
30	Forest species		State
31	Wild Life		State
32	Fisheries		State
33	Livestock		State
34	Solar and thermal energy		State
35	Wind and thermal spring		State
36	Livestock		State
37	Geographical (Taluka-wise) distribution of medium and large-scale		State
38	Air Quality Status in some Industrial talukas of Gujarat		State

39	Pollution status of major rivers of Gujarat		State
40	Ground Water pollution in various Talukas of Gujarat		State
41	Existing large and medium scale industries near the protected areas in		State
42	Proposed major industrial projects near the protected areas in Gujarat		State
43	The Biogeographical Zones and Provinces of Gujarat	Modified from Rodgers and Panwar, 1988	State
44	Agroecological Sub regions of Gujarat		State
45	Protected areas in Gujarat		State
46	District wise forests under different legal status as on 1998	Gujarat Forest Statistics, 1998	State
47	Change in forest cover from 1960 to 1997	Modified from GUIDE, Draft Report of SEAP Phase I, Oct 1999	State
48	Prosopis juliflora invasion in Gujarat		State
49	Depth to Watertable (1998)		State
50	ISO-Chloride		State
51	Level of Groundwater development		State
52	Quality of Groundwater		State
53	Groundwater Mining		State
54	Degradation Downstream of Dams		State
55	Industrial Pollution		State
56	Degradation of Estuary		State
57	Reservoir Siltation		State
58	Gas Transmission Infrastructure in Gujarat		State
59	Energy Map of Gujarat		State
60	Stock Density of Demersal Resources along Gujarat Coast	Based on survey between 1979 and 1987 by FSI, Mumbai	State
61	Stock Density of Demersal Resources along Gujarat Coast	Based on survey between 1986 and 1992 by FSI, Mumbai	State

62	Coral Reef Islands of Gulf of Kuchchh	Pillai, C.S.G and Patel, M.I (1988) Sceleractinian Corals from the Gulf of Kuchchh. J, Mar. Biol Ass. India. 30 (192): 54-74 PP	State
63	Designated use classification of sea-water and rivers		State
64	Salinity Ingress		State
65	Storm Tracks (1877-1992)		State
66	Percentage share of permanent pastures and other grazing lands in reported area at Taluka level (1995-96), Gujarat.		State
67	Percentage share of culturable wasteland in reported area at Taluka		State
68	Percentage share of fallow lands in reported area at Taluka level (1995-96), Gujarat.		State
69	Percentage share of degraded forest area in the reported forest area at District level (1991), Gujarat.		State
70	Taluka-wise rate of literacy in Gujarat, 1991 (Percentage of Population)		State
71	Taluka-wise rate of density of human population in Gujarat, 1991 (persons per sq.km of reported area)		State
72	Taluka-wise density of Adult Cattle Units (ACUs), Gujarat, 1992 (per sq.km of reported area)		State
73	Industrial Concentration (Employment in Industries)		State
74	Stress topology of Urban Indian Clusters		State
75	Urban Industrial Growth Clusters		State
76	Ground Water Degradation		State
77	Ground Water Degradation - Composite		State
78	Status of river water quality		State
1	Location map of the study area	-	Regional
2	Rivers basins with irrigation schemes in the study area	-	Regional
3	Geohydrological setup of the study area	Phadtare, 1988	Regional
4	ISO TDS I Unconfined aquifer, 1992	GWRDC	Regional
5	Vegetation map of the study area	-	Regional

6	Salt works in and around the little Rann of Kachchh	-	Regional
7	Soil type (Order, Sub order) in the study area	-	Regional
9	Salt affected soil	CSSRI, Karnal	Regional
10	Soil Salinity in the study area as per RS data of NRSA, 1986	-	Regional
12	Soil Salinity in the study area (NBSS & LUP, 1994)	-	Regional
13	Salinity affected area as studied by Sardar Sarovar Nigam	-	Regional
14	Internal classification of Panandhro lignite mines	-	Regional
15	Isohyte pattern for the rain storm of 11th and 12th August in 1979, around the project area	-	Regional
16	Geology of Panandhro lignite field	-	Regional
17	Phisiography of Kali river watershed	-	Regional
19	Drainage of Kali river basin	-	Regional
20	Layout of the mines working plan	-	Regional
21	Location map of soil sampling at Panandhro lignite mines	-	Regional
22	Sampling sites for microbial studies at Panandhro lignite mines	-	Regional
23	Landuse and landcover in Kali river basin	-	Regional
25	Index map of Sanandhro dam	-	Regional
26	Landuse landcover around Panandhro lignite mines	-	Regional
27	Location of hydrogeological sections and dump soil samples at Panandhro lignite mines	-	Regional
28	Isopach map of sand aquifer at Panandhro lignite mines	-	Regional
30	Storativity distribution in the sand aquifer at Panandhro lignite mines	-	Regional
31	Transmissivity distribution in sand aquifer	-	Regional
32	Specific conductivity of groundwater from sand aquifer	cgwb, 1978	Regional
33	Effective soil depth at Panandhro lignite mines	-	Regional

34	Surface soil texture at Panandhro lignite mines	-	Regional
36	Subsurface soil texture at Panandhro lignite mines	-	Regional
37	Available water holding capacity of soils at Panandhro lignite mines	-	Regional
38	Surface soil salinity (upto 90) at Panandhro lignite mines	-	Regional
39	Subsurface soil salinity (below 90) at Panandhro lignite mines	-	Regional
40	Surface soil reaction at Panandhro lignite mines	-	Regional
42	Subsurface soil reaction at Panandhro lignite mines	-	Regional
43	Plan of water resource development for Panandhro lignite mines	-	Regional
44	Location map of Ambamata multi- metal mines	-	Regional
45	Regional contour map of area around Ambaji	-	Regional
46	Regional drainage of area around Ambaji	-	Regional
48	Geological map of the area around Ambamata	-	Regional
49	Geological map of Ambamata multi-metal mines area	-	Regional
50	Index map of soil sampling at Ambamata mines area	-	Regional
51	Sampling locations for biotic study in and around Ambamata mines	-	Regional
52	Sampling locations for microbial study in Ambamata mines	-	Regional
54	Effective soil depth in various areas of Ambamata mines	-	Regional
55	Surface soil texture (0 to 30 cm) in various areas of Ambamata mines	-	Regional
56	Sub-surface soil texture (30 to 90 cm) in various areas of Ambamata mines	-	Regional
57	Available water holding capacity in various areas of Ambamata mines	-	Regional
59	Soil salinity (0 to 90 cm) in various areas of Ambamata mines	-	Regional
60	Soil salinity (below 90 cm) in various areas of Ambamata mines	-	Regional
61	Soil reaction (0 to 90 cm) in various areas of Ambamata mines	-	Regional

62	Soil reaction (below 90cm) in various areas of Ambamata mines	-	Regional
63	River basin map of water resource region 5	-	Regional
65	Location of dump and pit at Ambamata mines	-	Regional
66	Drainage map of the Ambamata lease area	-	Regional
67	Contour map of the Ambamata lease area	-	Regional
68	Microwatersheds of Ambamata lease area	-	Regional
69	Proposed checkdam structures at Ambamata lease area	-	Regional
71	Proposed nalabunds at Ambamata mines area	-	Regional
72	Regional Contour map of the area around Ambadunagar	-	Regional
73	Regional drainage of the area around Ambadunagar	-	Regional
74	Geological map of the area around Ambadunagar	-	Regional
75	Geological map of Ambadunagar	R N Sukheswala 1972	Regional
77	Maps showing locations of soil sampling at Ambadunagar	-	Regional
78	Sampling location for biotic study at Ambadunagar	-	Regional
79	Soil depth at Ambadunagar	-	Regional
80	Surface (0 to 30 cm) soil texture at Ambadunagar	-	Regional
82	Subsurface (30 to 90 cm) soil texture at Ambadunagar	-	Regional
83	Available water holding capacity of the soil at Ambadunagar	-	Regional
84	Soil Reaction (0 to 90 cm) at Ambadunagar	-	Regional
85	River basin map of water resource region 5.	-	Regional
86	Drainage map of Ambadunagar lease area	-	Regional
88	Contour map of Ambadunagar lease area	-	Regional
89	Proposed checkdam structures at Ambadunagar lease area	-	Regional
90	Plan map of checkdam no 10 at Ambadunagar	-	Regional
91	Proposed nalabunds at Ambadu- nagar lease area	-	Regional
92	Map showing the Gulf of Kachchh region	-	Regional

94	Sediment transport direction in the Gulf of Kachchh	Nair et al, 1982	Regional
95	Fringing coral reefs of the Gulf of Kachchh	-	Regional
96	Diving stations at Pirotan Island	-	Regional
97	Diving stations at Karumbhar Island	-	Regional
98	Diving stations at Beyt Shankhodar and Boria reefs	-	Regional
100	Gujarat map showing the study area (Kachchh and Banaskantha districts)	-	Regional
101	Kachchh district with talukas	-	Regional
102	Banaskantha district with talukas	-	Regional
103	Iso-hyte of Kachchh district	-	Regional
104	Iso-hyte of Banaskantha district	-	Regional
106	Rann Ingress in a part of the Northern Banni areas	P.Jothimani & JK Garg (ISRO) 1993	Regional
107	Water table in Kachchh district during May'85 and May'95	-	Regional
108	Iso-TDS in Kachchh district (TDS above 4000 ppm) during May'85 and May'95	-	Regional
109	Iso-TDS in Banaskantha district during May, 1995	-	Regional
111	Cropping pattern in Kachchh district	-	Regional
112	Location map of the study area (Alang)	-	Regional
113	Location of Gulf vis-à-vis continental shelf	-	Regional
114	Structural setup of Gulf of Khambat	-	Regional
115	Geology around Alang	-	Regional
117	Drainage Pattern around Alang	-	Regional
118	Coastal landforms around Alang	-	Regional
119	Bathymetry of Gulf of Khambat	-	Regional
120	Mineralogy around Gulf of Khamabat	-	Regional
121	Comparison of vegetation in ASSBY region between 1985 & 1998	-	Regional
123	Categorization of the study area for vegetation study	-	Regional
124	Neighbouring villages of ASSBY	-	Regional

125	Existing Landuse Pattern of ASSBY	SMS site plan	Regional
126	Proposed Landuse Pattern of ASSBY	GMB site plan	Regional
127	Geoenvironmental setup of Ranns and Banni	Dr.PP Patel	Regional
129	Regional Drainage around Ranns and Banni	Dr.PP Patel	Regional
130	Structural setup and Geological sections of Kachchh	Sychathavang, Biswas and GSI 1963	Regional
131	Morphotectonic map of the great rann	Dr.PP Patel	Regional
132	Geomorphic classification of great Rann	Roy and Merh SS 1977	Regional
134	Inundation pattern of Great Rann	Roy and Merh SS 1982	Regional
135	Microgeomorphic details of the Vigukot area, Great Rann	Dr.PP Patel	Regional
136	Sediment types in great Rann	Dr.PP Patel	Regional
137	Land use map of Dangs	Dr.PP Patel	Regional
138	Regional geomorphic map of Dangs	Dr.PP Patel	Regional
140	Contour map of Dangs	Dr.PP Patel	Regional
141	Hypsometric map of Dangs	Dr.PP Patel	Regional
142	Ground slope map around AHWA, Dangs	Dr.PP Patel	Regional
143	Drainage basins and river profiles of Dangs	Dr.PP Patel	Regional
144	Geological map and sections of Dangs	CGWB, 1981	Regional
146	Drainage basins of south Gujarat	Dr.PP Patel	Regional
147	Isohyte map Dangs	Dr.PP Patel	Regional
148	River gauging stations in Dangs	Dr.PP Patel	Regional
149	Hydrogeological map of Dangs district	Dr.PP Patel	Regional
150	Lineament map of Dangs	SAC Report, 1987	Regional
152	Airphoto interpretation Geomorphic map around Gaodahad, Dangs	SAC 1988	Regional
153	Airphoto interpretation Geomorphic map around Laochali, Dangs	SAC 1988	Regional
154	Airphoto interpretation Geomorphic map around Mahal, Dangs	SAC 1988	Regional
155	Soil map of Dangs	NBSS & LUP 1994	Regional
156	Location map of Study area		Regional
158	Shifting courses of Saraswati	Ghose etal 1980	Regional
159	Saraswati river rebounded	Patel 1980	Regional
160	Soil salinity of Banni	Soil SurveyDiv, Vododa	Regional
161	Intertidal and offshore sampling of Kachchh	-	Regional
163	Intertidal and offshore sampling of Gulf of Khambat	-	Regional
164	Offshore sampling stations of GOK	-	Regional

165	Intertidal sampling stations of GOK	-	Regional
166	Intertidal sampling stations of GOK	-	Regional
167	Intertidal sampling stations of GOK	-	Regional
169	Offshore sampling stations of GOKh	-	Regional
170	Offshore sampling stations of GOKh	-	Regional
171	Offshore sampling stations of GOKh	-	Regional
172	Sediment transport direction of GOK	-	Regional
173	Coral reef at Mungra reef	-	Regional
175	Coral reef distribution at Piraton island	-	Regional
176	Coral reef distribution at Karumbar island	-	Regional
177	Coral reef distribution at Beyt	-	Regional
178	Sea-weed sampling at Beyt	-	Regional
179	Mangrove seaweed growth	-	Regional
181	Mangrove seaweed growth	-	Regional
182	Mangroves at Jodia GOK	-	Regional
183	Mangroves at Mungra GOK	-	Regional
184	Mangroves at Bhoga GOKh	-	Regional
185	Mangroves at Vamleshwar GOK	-	Regional
187	Movement of sea water		
188	Location map of Panandhro lignite mines	-	
189	Location map of the Ambadu- nagar Fluorspar mine	-	
190	The biogeographical classification of Gujarat	-	
192	Gujarat -Physiography	-	
193	Gujarat -Agro-climatic zones and rainfall pattern	-	
194	Areas of floristic exploration in Gujarat	-	
195	Gujarat state-Important Biodiversity areas	Forest department, Govt of Gujarat	
196			
198	Ecoregions of Gujarat	Dr.PP Patel	
199	Physiographic map of Guajart	Dr.PP Patel	
200	Ground slope map of Gujarat	Dr.PP Patel	
201	Drainage map of Gujarat	Dr.PP Patel	
202	Geological map of Gujarat	Dr.PP Patel	
204	Isohyte map of Gujarat	Dr.PP Patel	
205	Soil map of Gujarat	Dr.PP Patel	
206	Surface water irrigation map of Gujrat	WRD GOG 1989	
207	Hydrogeological framework of Gujrat	GSI 1969 & CGWB 1989	
208	Water table map of Gujarat	GWRDC 1992	

210	Groundwater over-exploitation areas in Gujarat	GWRDC 1992	
211	Forest map of Gujarat	DES GOG 1987	
212	Location map of Ranns and Banni	Dr.PP Patel	
213	Location map of Dangs district	Dr.PP Patel	
215			
216			
217			
218	District codes for Gujarat		
219	Taluka codes for Gujarat		
221	Aquatic Pollution due to effluent		
222	Spatial and temporal pattern of unauthorised cultivation in the forest area		
223	Temporal and special trend of major livestock in the state		
224	Pressure on grazing lands(CPLR and fodder area) between 1975 and 1995		
225	Trends in fertilizer consumption and irrigation in Gujarat		
227			
228	Regionalisation		
229	Physiography		
230	Geology		
231	Soils		
233	Ecoregions		
234	Isohyte of Gujarat		
235	Severity of Drought		
236	Hydro Geology		
237	ISO-TDS		
239	Water Logging		
240	Salinity		
241			
242	Coastal Talukas and Districts of Gujarat		
244	Location Map of Alang		
245	Sea coast of Alang and Extended part limits of Talaja, Gujarat		

246	Districts and Talukas of Gujarat	Remote Sensing and Communication Centre (RESECO), Gandhinagar	
247	Agro-climatic zone and sub-zones of Gujarat	Govt. of India (1991a)	
248	Eco-regions of Gujarat	Pate (Undated)	
250	Talukas under Drought Prone Area Programme(DPAP) and Desert Development Programme (DDP) in Gujarat	Commissioner Rural Development, Govt of Gujarat, Gandhinagar	
251	Percentage share of Scheduled Tribes in total population of Gujarat at Taluka level, 1991		
252	Talukas under tribal area sub plan in Gujarat		
253	Backward, relatively developed and relatively more developed talukas of Gujarat	Govt. of Gujarat (1984)	
254	Overall Soil Degradation in Gujarat	NBSS and LUP (1994)	
256	Soil Erosion in Gujarat	NBSS and LUP (1994)	
257	Soil Salinity in Gujarat	NBSS and LUP (1994)	
258	Percentage share of barren and unculturable land in reported area at Taluka level (1995-96), Gujarat		
259	Saline/Alkaline soils in Gujarat, CSSRI (1995)		
260	Forest cover in Gujarat	http://envfor.nic.in/fsi/ffc/gj.html	
262	Urban Indian Clusters		
263	Settlement Pattern		
264	Urban population concentration - Taluka Share		
265	Status of Urban Environment		
267	Soil Degradation		
268	Vadodara City, G.S.F.C and Environs-Year 1988 and 1992	Satellite Imagery, IRS 1C L2A1, 1998	
269	Surat City, Sachin and Environs-Year 1988 and 1992	Satellite Imagery, IRS 1C L2A1, 1999	
270	Valsad and its Environs-Year 1988 and 1992		

271	Cyclone prone areas in Gujarat	Cyclone Mitigation Report	
273	Districts and Taluka Maps of Gujarat	SEAP/GUIDE	
274	Geo-environment regions of Gujarat	SEAP/GUIDE	
275	Water Erosion in Gujarat	SEAP/GUIDE	
276	Wind Erosion in Gujarat	SEAP/GUIDE	
277	Soil Salinity in Gujarat	SEAP/GUIDE	
279	Soil Sodcity in Gujarat	SEAP/GUIDE
